## CHAIRMAN'S MESSAGE

It is with immense pride that I have completed my second year as chair of the 45 Aid Society. It has been a busy year and the '45 family is growing and becoming stronger. We continue to fulfil the Boy's wish of carrying on their legacy.

I would like to thank everyone who contributed to this year's brochure through advertising and donations, and offer my thanks and gratitude to the committee, second and third generations, without whose tireless help and dedication, our reunion would not happen.

On a personal note I would like to dedicate this year's brochure to one of the "Boys" Solly Irving, who recently passed away. His contribution to the '45 Aid Society was huge, especially his work on the brochure. I think so many donations were given to him because he was "Solly". I miss this kind, gentle and very respected friend enormously.

Have a wonderful evening.

Angela Cohen  
Chairman

## PRESIDENT'S MESSAGE

We have been accustomed to celebrate the anniversary of our liberation at the beginning of May with the same regularity as we celebrate the Festival of Passover. Both have a common thread - Salvation!

There is however a profound difference between the two.

When we celebrate the Festival of Passover, we are reminded of the redemption of our ancestors from slavery over 3000 years ago.

At our reunion, we who are the redeemed and thus living witness to the darkest chapter in the history of mankind, celebrate our liberation from slavery but mourn the destruction of our people

Fortunately, having formed our Society, we remember not only the past but are acutely aware of the present and the responsible part we have to play within the community and towards people less fortunate than ourselves.

I am delighted that the 2nd and 3rd generation have taken on the mantle of telling and retelling the story of "The Boys". We owe it to those that perished that they should be remembered and the tragedy of their loss recalled in the hope that it will advance the understanding of the lessons of the Holocaust and contribute toward a more tolerant and caring society.

Ben Helfgott

In loving memory of

*Stanley Faull*

(1929 - 2014)

Born Salek Falinower in Warsaw, Poland.

One of "the Boys" who was a  
wonderful husband, father and grandfather.

Loved and very much missed by all who knew him.

Wish this function and  
the wonderful work of the

every success  
for the future.

Solly Irving faithfully gave voice,  
both as a victim and a witness,  
to the truth of the horrors of the  
Holocaust.

Instrumental in educating  
generations of young students,  
his most important take home  
message was:

“Learn from our tragedy. Hatred is  
the greatest threat to humanity”.

We share in his daughters’  
enormous grief.

We too miss him.

**YOM HASHOAH UK**  
**Background to**  
**“OUR LEGACY FROM THE HOLOCAUST / SHOAH”**  
**booklet project**

Yom HaShoah UK operates under the auspices of the Board of Deputies of British Jews Charitable Foundation. Its main purpose is to organise the annual National Holocaust Commemoration event on the day of Yom HaShoah and to encourage as wide a range of Commemoration and Remembrance events and activities as possible.

It brings together representatives of all UK Jewish Religious organisations and those UK Communal organisations primarily involved in Holocaust Commemoration, Remembrance and Education. Its “Mission Statement” is to:

- # Ensure that the tragedy of the Holocaust is never forgotten nor denied.
- # Honour the memory of those who perished
- # Pass on its legacy to present and future generations, to shape a more humane future

Sadly but inevitably, as the number of Survivors and Refugees of the Holocaust diminish, the most urgent challenge STILL remaining to those organisations involved in this Mission today, is to pass these objectives on to future generations and to more deeply instil the memory and lessons of the Holocaust in the hearts and minds of British Jewry, in perpetuity.

Whilst relishing the substantial increase in awareness of the Holocaust in recent years, brought about through the tireless efforts of Survivors and Refugees in personally recalling their horrific experiences; the major expansion in Holocaust education; the establishment of Holocaust museums, especially Yad Vashem in Israel; educational visits to the sites of the extermination and concentration camps in Poland and Germany etc; awareness is still below the level we had hoped to have been able to achieve and.....time is passing.

It is our intention in 2019 to launch the largest ever awareness campaign to achieve these objectives, to coincide with the 80th anniversary of the start of WW2, which changed the lives of European and indeed world Jewry, for ever.

The booklet will remind British Jewry, of its responsibility to pass on the Legacy of the Holocaust / Shoah, to its current and the future generations.

It will very briefly outline the unique horror of the Holocaust / Shoah; include some personal experiences of Victims, Survivors and Refugees; endorsements by Survivors and Refugees as to why this Legacy MUST be taken up; and outline where the reader can find out more information about the Holocaust / Shoah, to ensure they are well enough informed to carry out this responsibility.

One copy of “Our Legacy from the Holocaust / Shoah” booklet will be GIVEN to EACH and EVERY member of a Synagogue in the UK. Each member will be encouraged to buy copies for other family members.

It will also be given to pupils at Jewish secondary schools and all members of youth organisations and will be available at annual Communal Seder services and Holocaust Remembrance events, held annually throughout the UK. One copy will also be available to any Jewish family who do not belong to a Synagogue, who can apply for it from Yom HaShoah UK.

This campaign is intended to honour the Memory of the Victims and to acknowledge the fortitude of the Survivors and Refugees, who re-made their lives and contributed so much to the onward development of our Jewish identity and to the United Kingdom and the wider world.
