## MESSAGE FROM OUR PRESIDENT

This has been a sad year for us all, as time takes its toll. But you are resilient and strong, and each year's gathering is both a time of remembrance and of enjoyment, as the second and third generation carry high the banner of your experiences and your achievement.

I am proud to serve as your President, and to have done so for so many years. Although I have not always been able to come to your annual dinners, my thoughts are always with you, and one of my greatest pleasures has been to help some of you to have your memoirs published, and to write introductions, and even draw maps, for the books that you write.

I would also like to pay tribute to our Chairman, Ben Helfgott, for his remarkable work on the international scene to enhance the memory and teaching of the Holocaust. Ben mixes with Prime Ministers, but has never lost the common touch. We all owe him a great deal.

*Martin Gilbert*

## CHAIRMAN'S MESSAGE

With the passage of time, our memories of the years 1939-1945 instead of fading away, loom larger in our consciousness. It is an acknowledged fact that under normal circumstances, as one grows older one's recollections of the distant past surface with incredible ease. In the main they are episodes of prosaic significance. This is even more so as we have entered the period of golden and diamond jubilees when events of an unprecedented nature occurred. There is not a week, a month or a year that passes without recalling some shattering experience that happened to us directly or indirectly. Throughout this year most of us will remember the 70th Anniversary when our families, relatives and neighbours were brutally killed or gassed in the crematorium.

In addition, many of the survivors are more aware of these horrendous years because in recent years we have taken on the task of imparting the knowledge of the Holocaust to the present generation to ensure that such a calamitous catastrophe does not happen again.

It is reassuring for survivors that, encouraged by the government, the lessons of the Holocaust are more widely taught in an effort to promote greater harmony and understanding thus ensuring that racism, victimisation and the horrendous crimes committed during the Holocaust are neither forgotten nor repeated.

It is most gratifying that the 2nd and 3rd generations have joined our Society and our celebration is greatly enhanced by their presence.

I am delighted to welcome you all tonight and want to extend a warm welcome to all our guests.

I wish to express my thanks to all who have contributed so generously to the Brochure and raffle tickets as well as to those who have given so magnanimously and whose names do not appear in the brochure. The proceeds help to assist our members in need as well as other deserving causes both in England and in Israel. This year most of the funds will be donated to the International Tracing Archives (ITS) which are now housed in London.

It gives me great pleasure to conclude my message by thanking our committee, both survivors and 2nd and 3rd generations for their invaluable support.

The Richman Family is proud to be part of the amazing "45" team. כל הכבוד for your achievements. It is through the 45's that the holocaust will NEVER be forgotten. לא תשכח !!!

The Boy's are a wonderful group of survivors, although some of them have sadly passed away like Abie ע"ה. Abie loved your annual event, meeting his treasured friends, who were his family. He has no one else. He lost his entire family. He was proud to be a part of the boys!!

Go *מחיל אל חיל* and have success *די בלי די* that you so truly deserve.
